

I designed, distributed and am currently compiling results from this survey instrument (minus the explanatory cover page and extra copy of this chart) to obtain important usage data from faculty regarding the use of technology-enhanced classrooms at Corning Community College.

CCC SMART CLASSROOM SURVEY: SPRING 2008 Name: _____ Date: _____

- Are you currently using a smart classroom(s)? _____ If not, would you like to be scheduled in a smart classroom? _____
- Indicate components used by *Frequency*: Place the number in the column under each course for each component based on the following *Usage* scale:

0	1	2	3	4	5	NA
Never	Available but not used	Few sessions	Some sessions	Most sessions	Every session	Not available in room

- Please indicate the CRN for each course you teach and the room(s) used for it (including labs). If you have more than six, also use the copy of this table on page 4. Do not use cells in dark grey below. Please also fill in the questions listed after this table on the next page. Thank you for your participation!!

FACTORS	Example (CRN#)	Course CRN	Course CRN	Course CRN	Course CRN	Course CRN	Course CRN	Y or N: Would you use this component if available?	Y or N: Have you had problems with this component?	List issues with the component and room# (broken, removed from room, cables not available, software removed, etc.)
Room#:	N137									
Component:										
Instructor PC	0									
Instructor PC avail but uses Laptop	5									
VHS	2									
CD/DVD	4									
Elmo	3									
Overhead Projector	5									
Network/Internet	4									
Satellite Broadcasts	1									
Projector/Screen	5									
Cable/TV Broadcasts	1									
Other Device (please specify)	Scientific Calculator: 3									

CCC Smart Classroom Survey Cont'd.

1. If you are not currently using smart classrooms, briefly share your reason(s) for not using one:

2. If you needed to bring a laptop in order to use the smart classroom you were scheduled in, did you have any problems getting access to a laptop for your course(s)?

3. Would you have been unable to teach your course effectively if you did not have access to a smart classroom? Briefly explain:

4. Has teaching in a smart classroom helped you teach your course (please mark with an X):
 - More effectively,
 - Less effectively, or
 - About the same effectivenessBriefly explain why:

5. Are you able to use smart classrooms for all your classes that required these technology resources? If not, how did you substitute the use of these resources for your classes not scheduled in a smart classroom?

6. Do you have any other comments you would like to share regarding the use of smart classrooms? You can also use this area to expand on issues you had with components in the room(s) you were scheduled in, and list courses you would like to have scheduled in a smart classroom.
